Entries From All Schools Needed for Track Outing

Elementary school principals were being reminded this week that entries from each of Torrance's schools were expected for the annual Optimist Club Track Meet to be held at the high school here Saturday, April 26.

Setting up the track meet is Coach Cliff Graybehl, who heads the Optimist Club committee.

The meet will be run under the CIF rules governing Class C competition.

Each boy entered will be limited to two events, and each school will be limited to three entries in each event.

Events will include the 100-yard dash, 120-yard low hurdles, 180-yard dash, 660-yard run, the shot put, broad jump and high jump.

Ex-THIS Baseball Star Hurls Win For SB Gauchos

Jerry McIvaine, former Torrance High baseballer, hurled the Santa Barbara Gauchos to an 11-3 victory over a Camp Cooke nine in a double-header game at the Channel City last week-end.

McIvaine had little trouble with the service crew and except for seven blunders charged to the fielders, would have had a shut-out, it was stated.

He went the distance against the Cooke crew and turned back seven service men at the plate.

JV's Meet Beverly In Last Home Game

Torrance High's varsity baseball crew winds up the first round of the Bay League gallop for the 1952 horseshoe crown today and they hope it'll wind up in fine style.

The Tartars journey towards Beverly Hills this afternoon charged with hopes of dropping the Beverly boys a pill they can't swallow. If they pick up a win, it'll be the first for the locals in league competition.

Two new charges were added to the varsity crew ranks this past week by mentor Dick Leech. Dave Molinar will spell Frank Christensen behind homeplate, and Hector Herrera was jerked from the Junior Varsity ranks and now wears the Varsity colors.

Catcher John Spiller turned in his mask prior to Easter vacation to take up chores with Uncle Sam's Navy.

Starting for the Tartars on the mound today will be Charlie Camou or Manuel Oloque, but Leech has said that both will make the line-ups today. Camou will take his turn at four innings, and Oloque at the other four.

Beverly Hills and the Tartar crew are tied for last place in present Bay League standings, each with an 8-4 win record—so the fray should prove to be a dilly just to see who
